
LEGACY MANAGEMENT PROGRAM™

The literary components of any great story come down to the essentials of who, what, when, where and why. These questions are used to build continuity and themes to the teller's work. In the same fashion, when one looks to define a legacy, these same basic components are used to measure experiences and form life stories.

At Galbraith Associates we have mastered the art of legacy planning and recognize each life story is unique and constantly affected by change. That is why we have created our Legacy Management Program™. This systemized updating program provides ongoing support and continued education for our firm's legacy planning clients. The Legacy Management Program™ provides the necessary services to assure plans stay current by offering the following:

At Galbraith Associates we are committed to our clients' life story. We recognize updating legacy plans is essential for individuals and families' financial strength.
